

GREENTREE GAS & OIL LTD. ANNOUNCES RESIGNATION OF CHIEF FINANCIAL OFFICER

LONDON, ONTARIO, June 25, 2007 - Greentree Gas & Oil Ltd. (TSXV-GGO) (“Greentree” or the “Company”) announced today that Patrick Uzan, its Chief Financial Officer, has resigned in order to return to public practice and resume his specialization taxation.

“Management and the Board of Directors of Greentree really appreciate the work that Patrick did while with Greentree” said Duncan Hamilton, Greentree’s President, “especially in helping Greentree through some very difficult tax issues related to its flow-through share issuances and the renunciation of expenses. That is a very complicated area of tax law and, guided by Patrick’s expertise and hard work, Greentree was able to achieve a very satisfactory resolution. We, at Greentree, wish him every success in his return to public practice and are sure that many other companies will be able to benefit from his expertise.”
